Chorus: I need to say - that God- is in this place.
 And God - is right - by your side.
 You need to know - that anywhere you go.
 Just by faith - his love - will abide.

 When you need someone to be there.
 I'm telling you He' reaching out.
 With love beyond compare - and He knows your soul.
 And He knows your heart - knows everything you are.

 Gets lost along the way.
 But His mercy comes raining down.
 With His amazing grace - ' Cause all that you need,
 Is just to believe - He's waiting to set you free.

 And God is right by your side.
 You need to know - that anywhere you go.
 Just by faith - his love - will abide.

Chorus: I need to say - that God- is in this place.
 And God is right by your side.
 You need to know - that anywhere you go.
 Just by faith - his love - will abide.
