

# LORD I OWE IT ALL TO YOU

A            A/G        D            Dsus  
I breath in deep, the air surrounds me  
A            A/G                    D  
Fills me with your cleansing love  
A            A/G        D            Dsus  
My open eyes can see all the beauty  
A            A/G                    D  
It's everything that I've dreamed of

(Chorus)

E                    F#m  
all the wonders of the earth  
          E/G#                    A  
and all things new that come from birth  
D  
Rejoice.....  
E  
with your love for all.  
A            A/G            D            Bm  
All The gifts I have received  
A            A/G                    D            Bm  
and all the goals I have achieved  
A            A/G                    D                    FM7  
far beyond the things that I believe that carried me  
E                    A  
Lord I owe it all to you  
E                    A-Asus  
Lord I owe it all to you

A family laughs and plays together  
growing closer every day  
even if they face stormy weather  
it will not get in the way

(Chorus)

(Bridge)

FM7                                    A  
When the sun shines on the ground (Lord I owe it all)  
FM7                                    A  
and when the rain is coming down (Lord I owe it all)  
F#m            F#m+7    A/E                    B7/D#            Bm            D  
these treasures all around in our lives that we have found cause of you, cause of you

(Chorus)

E F#m  
all the wonders of the earth  
E/G# A  
and all things new that come from birth  
D  
Rejoice.....  
E F7  
with your love for all. (Modulate) with your love for all
