

OUR CHURCH - 2008

C – CM7 C – CM7 Ab – AbM7 Ab – AbM7

[Verse 1]

I know a place where we can go to pray.
It's warm inside like the warmest time of the day.
A welcome place, we hear our families say.
Children around and for them a place to play.

[Chorus]

A foundation that stands on firm ground
Feel all the love, you can feel it all around.
We come here and we share his word.
We share it the same as others in the past have heard.
It's a welcome place for every generation.

C – CM7 C – CM7

[Verse 2]

Our doors are open wide to all who seek the Lord.
In here his love is always our greatest reward.
Come in and help us praise him with a song;
When we pray to him the words are never wrong.

[Verse 3]

We look to the future, and our church will always be strong.
With our Gospel armor, our battles will always be won.
When we leave here, we're nourished by spirit and the word;
Take it out to the world, where others are strengthened to serve.

[Chorus]
