

## PSALM 103

intro - G

As the east is from the west, so far has he removed

our transgressions from us, al - le - lu - ia

As the east is from the west, so far has he removed

our transgressions from us, al - le - lu - ia

Mercy high as the sky, reaching deep as the sea.

As the east is from the west, so far has he removed

our transgressions from us, al - le - lu - ia
