THEY NEVER GAVE UP

DM7 Dsus
The water was deep ; and the rains came down
DM7 Dsus
The roads were closed ; they've lost their town.
DM7 Dsus
When will the warm sunlight ever return
Bm G Asus
And the painful memories ; ever cease to burn?

CHORUS
D F#m
They survived their agony,
G Bm - A
We were there to lend a hand,
D F#m
we were there to understand.
G Gm 1st: D Bm A G
Our arms open wide, bring them safely to our side.
2nd: D Bm A A -> bridge
Our brothers and sisters, they live far away,
They fight Satan every day.
The eyes of the world, failed to see,
The death, destruction and all the misery ... CHORUS

BRIDGE
Am G FM7 FM7
Never give up --- oh Never Give up
Am G FM7 FM7
Never give up --- oh Never Give Up
Am G FM 7 FM7
Never give up --- oh Never Give Up
G A -> CHORUS

(When times were real tough, They never ran away.
Even dark skies and rain , They decided to stay.
With hunger and pain, they stuggled in vain
With us by their side, salvation will reign)
