

THROUGH THE DARKEST OF DAYS

E F# A -

I never knew what to say

E F# A -

Everytime I tried to pray

C Em C E

Wanted to make my prayers just right; To get me through each night

A B D A

Through it all I'm thanking you, for all you've done

CHORUS (more beats per note):

E D

While I neglected you, your love still shined through

E D- A E

You made my troubles go so far far away

E D

You helped me with everything; carried me on your wing

E D - A E D - A E D - A E.....

You were the light through all the darkest of days

E F# A - E F# A

When I look back at the years of my life; All of the turmoil and all of the strife

C Em C E

You were always there with me; I was blind didn't want to see

A B D A

You never turned your back on me -> CHORUS

BRIDGE:

F#m D

The darkness is gone forever; the pain is off my chest

A C#

And with your love I know I'll never , give anything but my best

F# m D

Now I realize that the love you bring my world

A C#

You finally reached me, the truth has been unfurled ->

SOLO/BREAK

A C#m

A C#m

C# B ->

CHORUS - out
