

TURN ME AROUND

Chorus:

Turn me around, around and around.
Help me turn away from sin and get my feet on the ground.
Lord turn me around, around and around.
Keep me strong in your love and in your joy I have found.

Verse 1:

The Lord brings me up and sin brings me down.
The Lord makes me happy and sin makes me frown.
I follow my Lord in both good times and bad,
He'll lead me to happiness and make my heart glad.

Lord - Chorus

Verse 2:

I walk to the left and I walk to the right.
I wiggle and waggle away from the light.
Then Jesus says STOP (pause) and look at my heart.
He turns me around and helps me make a new start.

Lord - Chorus

Instrumental Chorus:

Chorus (G):

Turn me around, around and around.
Help me turn away from sin and get my feet on the ground.
Lord turn me around, around and around.
Keep me strong in your love and in your joy I have found.
