

WHAT A WONDERFUL WORLD

D F#m
I see trees of green
Em7 D
I see them bloom,
Bb
And I say to myself,

G F#m
red roses too,
F#7 Bm
for me and you.
Em7 A7 D D+ Gm7 A7
what a wonderful world.

D F#m
I see skies of blue,
Em7 D
The bright blessed day,
Bb
And I say to myself,

G F#m
and clouds of white.
F#7 Bm
the dark sacred night.
Em7 A7 D G G D
what a wonderful world.

A7
The colors of the rainbow
A7
Are also on the faces
Bm
I see friends shaking hands, saying
Bm B
They're really saying,

D
so pretty in the sky.
D
of people passing by.
Bm F#m
how do you do.
Em7 A
I love you.

D F#m
I hear babies cry,
Em7 D
They'll learn much more,
Bb
And I say to myself,

G F#m
I watch them grow.
F#7 Bm
than I'll ever know.
Em7 A7 D
what a wonderful world.

Bb
Yes I say to myself,

Em7 A7 D
what a wonderful world.
