Bridge: Oh / O-h /where there is faith.

Oh / O-h /where there is faith.

Oh / O-h /where there is faith.

- G

Chorus:

Where there is faith there is a voice calling,

Keep walking, you're not alone in this world.

Where there is faith there is a peace like a child sleeping,

It is a wonderful, powerful place.

Where there is faith.

Where there is faith.
